

# Health Care Conference

SEPTEMBER 21, 2021 | VIRTUAL

**Becky Malone**  
**Global Communications Lead**  
**UCB's Global Clinical Development Solutions**

Becky Malone is a Global Communications Lead, responsible for internal and external communications for UCB's Global Clinical Development Solutions supporting 1200+ employees. She works to develop and execute strategic communications to enable effective ways of working, drive communications for key global programs and initiatives, and ensure consistent communication on R&D mission with key enablers of ethics & compliance, sustainability and diversity, equity & inclusion. In addition to daily responsibilities, she serves as Co-Lead for the U.S. Women in Leadership (WiL) Employee Resource Group.

She graduated from North Carolina State University Magna Cum Laude with a BS in Mathematics, and currently serves on the Advisory Board for Activate Good, a non-profit organization focused on positively impacting volunteerism in Raleigh, NC.
