Please **mark your calendars for August 25-27**, for the Carolinas Chapter of the American Association of Clinical Endocrinologists' 2017 Annual Meeting. We will convene at The Pinehurst Resort; call (800) 487-4653 for reservations.

In keeping with our desire to involve residents and others within academic programs in the Chapter and our Annual Meeting, we invite residents, fellows and students from each academic institution to submit posters of original basic research, clinical research, or a case presentation, for a **poster competition**. **Cash prizes will be given to the winning posters as judged by a panel of endocrinologists.**

Posters should be set up Friday evening, August 25, and residents, fellows and students should attend to their posters during the midmorning breaks on Saturday, August 26, and Sunday, August 27. The winning submissions will be announced prior to the conclusion of the meeting on Sunday.

Please encourage your residents, fellows and students to participate. **Poster abstract submissions are due on or before July 15**, and may be sent to Nancy Lowe via e-mail at nlowe@ncmedsoc.org, or using the form attached by fax to (919) 833-2023. We will accommodate as many posters as space permits. **Posters should be no more than 4' x 4' in size.** You will be notified which submissions are accepted shortly after the submission deadline.

As in the past, **registration fees are just \$25 for residents, fellows and students to attend the Annual Meeting.** We hope to see your residents, fellows and students at the meeting, regardless of whether they submit a poster, and hope you and your faculty members will plan to attend, as well!

Sincerely,

Orlin Sergev, MD, PhD, FACE
