\*Please see event website for all hotel registration information: MUSC.edu/neurology/moc

## Historic Charleston

Charleston has stood throughout History as the cultural capital of the South and is considered by many to be a living museum, with a wonderful variety of things to do and see. In this beautifully preserved city you can experience tours through historic landmarks, including 18th century homes and plantations, the Battery, museums, churches and the city market. It also boasts numerous art galleries that display the city's impressive appreciation for the visual arts, wonderful shops and some of the best restaurants to be found anywhere in the United States.

# Rock the MOC! Neurology Maintenance of Certification Board Review Course

NOVEMBER 20-22, 2015 | CHARLESTON, SC

#### **Course Description**

The Medical University of South Carolina's "Rock the MOC!" Board Review Course is designed to provide a comprehensive and practical review for all Neurologists planning to take the American Board of Psychiatry and Neurology (ABPN) Maintenance of Certification (MOC) Exam. The course is organized to provide attendees with a review of clinical neurology based on core disease topics. Each lecture will provide a summary of the clinical spectrum of the disorders, pathophysiology, etiology, diagnostic techniques, and management options. In addition to CME credit, this activity can be used to satisfy competency and self-assessment requirements for Maintenance of Certification (MOC) as specified by the American Board of Psychiatry and Neurology (ABPN).

## **Conference Learning Objectives**

Upon the conclusion of this live activity, participants should be able to:

- Achieve understanding for current approaches to the diagnoses of common neurological disease states: including, multiple sclerosis, headaches, epilepsy, CNS infections, movement disorders, dementia, sleep disorders, neuromuscular diseases, neurogenetics, neuroophthalmology, and ethical issues in neurology.
- Utilize the most current evidence-based treatment and practices to improve confidence in diagnosing and managing common neurological disease states: including, multiple sclerosis, headaches, epilepsy, CNS infections, movement disorders, dementia, sleep disorders, neuromuscular diseases, neurogenetics, neuroophthalmology, and ethical issues in neurology.

#### Accreditation

The Medical University of South Carolina College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### **Disclosure Statement**

In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this education activity will be required to disclose any relevant financial relationships with commercial interests in the healthcare industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

#### **Course Designation**

The Medical University of South Carolina designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### American Board of Psychiatry and Neurology (ABPN) Designation

The American Board of Psychiatry and Neurology has reviewed the ROCK THE MOC! Neurology Maintenance of Certification Review Course and has approved this program as part of a comprehensive program, which is mandated by the ABMS as a necessary component of maintenance of certification.

The American Board of Psychiatry and Neurology has approved ROCK THE MOC! for 20 hours of CME credit and 8 hours of self-assessment credit.

#### Americans with Disabilities Act

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. Please call Caroline Diez at (843) 876-5053, via email at diezc@musc.edu, or attach a note to your registration form by November 5, 2015.

## Cancellations

A refund will be made upon written request by October 31st, 2015; however \$100 will be retained for administrative costs. No refunds will be made after November 1st, 2015. We reserve the right to cancel the program if necessary. Full registrations fees will be refunded for canceled programs. The University cannot be responsible for reimbursement of airline or other transportation fares, hotel or rental car charges, including penalties.

## **Course Materials**

Hard copies of all course materials will be distributed upon check-in to all registrants.

For more information contact: Caroline Diez, 843-876-5053 or diezc@musc.edu
